IRON GATE GROUP

MAN gas generator | 270 kVA

Gas generator | UAE inventory

Inventory specification sheet

Prepared 01 November 2026 | Seller-supplied data | Not a manufacturer certificate

Brand	**MAN**
Declared apparent power	**270 kVA**
Year of manufacture	**2012**
Operating hours	**15,000 hours**
Country of manufacture	**Germany**
Inventory location	**United Arab Emirates**

Scope and confirmation

Inventory facts supplied by the seller and the supplied poster.

This is a gas generator, not a diesel generator. The exact engine model is not stated in the supplied information.

An exact manufacturer datasheet cannot be matched until the engine and generator nameplates are supplied.

Gas composition, inlet pressure, frequency, voltage, duty rating, fuel use and dimensions require confirmation.

Manufacturer reference

Open official manufacturer document / product programme

Confirm unit specifications and arrange inspection before purchase.
